Hello Tom,

I just left you a voicemail about this. We understand the Western Landowners Alliance will be asking for changes in the LIP program in the new Farm Bill with regard to wolf depredations. Here is their website:

<https://westernlandowners.org/>

The changes they want could be similar to what is needed for panther depredations. If so, we might mirror or compliment their requested changes in what the Service sends forward as requested changes.

Because you represent private landowners on PRIT we thought it would be appropriate, and maybe most effective, if you made the contact. Let us know if you can do this or if you'd like to discuss more.

Thanks!

Larry

Tom,

I can do a call tomorrow at 10 am. Hopefully David and/or Erin can too. I've copied LeeAnn so she can send a calendar invite and conference number.

Thanks

Larry

Hi Tom and Larry,

Both Erin and David are not available at 10am today. Are you both available at 12pm or 1pm today? If so, I will set up an invite with call-in numbers.

Thank you,

Tom,
LeeAnn is setting up the call at 12:00 to include you, David and Erin. I can't make it because I'm involved in a luncheon. David and Erin have the real background on this. If you and I need to touch base later I'm glad to do that.

Thanks everyone

Larry

Call with Tom went well. Everyone's on the same page and he will be reaching out to the western state folks next week.

Have a good weekend, Larry.
